Reduce your EDF & GEBE electricity bills, lower your carbon footprint, and gain energy independence with custom solar panel installations, solar battery storage, and EV charging solutions for residential, commercial, and industrial properties.

We recommend you pay special attention to energy in the home. It may be necessary to install solar panels and/or generators to supplement the power provided by EDF. Indeed, the supplier limits its energy supply which means it cannot always cover large properties. Let's go green! All the houses in Saint-Barthélemy have cisterns to collect ...
