Stable ECUs are the basis for regular engine operation. The excellent performance of IPRO weldable vents can effectively improve the stability of it. IPRO snap-fit vent has two interface types: SFVA and SFVS. SFVA series correspond to the opening size of 6.4mm, and SFVS series correspond to the opening size of 10.4mm.

Will Equatorial Guinea fulfil its promise as a gas "mega hub," or will stalled negotiations turn what should be a national economic boon into a missed opportunity? The answer depends largely on how quickly the country can nail down gas supply agreements from Nigeria and Cameroon. Right now, things don't seem to be moving nearly fast enough. Will ...
