Do solar panels need mounts?

Solar panel mounts are a common component of almost every solar panel array. Although there are newer solar panel technologies coming out that do not require mounts, such as the Lumeta solar module that are being developed, the majority of solar panel arrays on the market and the ones already installed will require this feature.

Are ground mount solar panels easy to maintain?

Solar panel maintenance is also much easier for ground mount solar panels. To reach your roof-mount panels, you'll have to go up onto your roof.

What is a solar panel mount?

The purpose of a solar panel mount is to serve as a foundation for a solar panel. Mounting systems allow for solar panel arrays to be positioned in the most effective location to maximize the panel's exposure to sunlight. The type of solar panel mounts will vary widely depending on the rooftop or surface type where it is being installed on.

Can solar panels be mounted on a roof?

Ground. Solar panel mounts for the ground arrays come in two flavors: fixed and "top-of-pole" mounts. Either offers some benefits over roof solar mounting racks. Panels mounted on the ground will be cooler than on a roof, which helps maximize voltage and energy production a bit.

Should you mount solar panels on a roof or a ground array?

Solar panel mounts for the ground arrays come in two flavors: fixed and "top-of-pole" mounts. Either offers some benefits over roof solar mounting racks. Panels mounted on the ground will be cooler than on a roof, which helps maximize voltage and energy production a bit. They are also more accessible should you have any issues--which is rare.

Are ground mount solar panels better than roof-mount solar panels?

Having your panels up and out of harm's reach also puts them out of reach of easy maintenance and cleaning. Ground mount solar panels could be a better choice than roof-mount, depending on the situation. If you're considering solar panel installations for your home, cabin, or other structure, there's a lot to look into before you make your choice.
