

Italy lignium energy

Lignum Energy | 435 ?? ?????????? ??? LinkedIn. Generating wealth through cow manure | At Lignum Energy we transform cow manure by generating a combustion pellet, generating a new standard in the farming and energy industry.

Director en Fundación Trabün · Experiencia: Lignum Energy · Educación: University of Bath · Ubicación: Área metropolitana de Santiago · Más de 500 contactos en LinkedIn. Mira el perfil de Salvador Valdés en LinkedIn, una red profesional de más de 1.000 millones de miembros.

Lignum Energy says its technology can reduce a farm's manure emissions by up to 68 percent. Its pellets are also a strong alternative to wood pellets, which are often used for biomass energy and contribute to deforestation. Lignum Energy was founded in Santiago, Chile, four years ago in an effort to curb the country's high pollution levels.

Ingeniero de Proyectos - Lignum Energy · Ingeniero Civil Mecánico con gran interés por la sustentabilidad, la eficiencia energética y los procesos térmicos.& lt;br& gt;Trabajo en el diseño, construcción y operación de plantas de producción de biomasa únicas en el mundo, instaladas en Chile y EEUU. · Experiencia: Lignum Energy · Educación: Pontificia Universidad Católica de ...

Ingeniero Civil Mecánico mención Energía (UTFSM) | Energías Renovables y transición energética (ERNC) | Hidrógeno Verde (H2V) | Eficiencia Energética | Diseño Mecánico (SolidWorks) · Experiencia: Lignum Energy · Educación: Universidad Técnica Federico Santa María · Ubicación: Área metropolitana de Valparaíso · 237 contactos en LinkedIn.
