

# Jamaica lithium battery storage cabinets

What is a lithium-ion battery charging Safety Cabinet?

Justrite's Lithium-Ion battery Charging Safety Cabinet is engineered to charge and store lithium batteries safely. Made with a proprietary 9-layer ChargeGuard(TM) system that helps minimize potential losses from fire, smoke, and explosions caused by Lithium batteries. [Shop Now](#)

Are there safety cabinets for lithium ion batteries?

There are safety cabinets that are used exclusively for the passive storage of batteries, as well as those that allow both the storage and charging of lithium-ion batteries. ION-LINE passive storage safety cabinets offer a standard 90-minute fire resistance rating both from the outside to the inside and vice versa.

What types of storage cabinets are available for lithium-ion batteries?

Various cabinet sizes and equipment variants are available for the safe storage of lithium-ion batteries. There are safety cabinets that are used exclusively for the passive storage of batteries, as well as those that allow both the storage and charging of lithium-ion batteries.

Why do you need a lithium ion battery cabinet?

These cabinets effectively prevent a fire from spreading from the outside to the batteries stored inside. At the same time, the risk of a fire inside the cabinet caused by the lithium-ion batteries or accumulators is also minimised because spread to the surrounding area is prevented.

Why should you use ion-line lithium cabinets?

This is particularly important where personnel may be unfamiliar with some batteries, such as lithium polymer batteries, that are in use. Discover the asecos ION-LINE lithium cabinets for the safe storage and charging of lithium-ion batteries in a fire-protected environment.

How to store batteries in the Ion-line safety cabinets?

If you only want to store batteries in the cabinet, choose the STORE version. If you intend to charge (active storage) batteries directly in the cabinet, then choose the CHARGE version. ? Find out exactly how the safety concept of the asecos ION-LINE safety cabinets works in our video.
