

Jordan plus power

Jordan Power Plus LLC was established in 2011, and has 20 years of experience with GENERAC products to service the surrounding area and provide residents with all their standby electric power solutions.

Your local, Briggs & Stratton, dealer will size your home and choose the right generator system for your power needs, install and customize the generator system, fix service-related issues and perform annual maintenance.

Protect your home from the risks caused by sudden power outages with a generator from Generac, the industry leader, installed by the experts at Jordan Power Plus. In the event of a power failure, these reliable systems automatically start up, supplying electricity to your home until the local power utility restores service.
