

# Junelight smart battery Thailand

Die Junelight Smart Battery ist nur der erste Schritt hin zu einem intelligenten und nachhaltigen Zuhause. Unser Versprechen: Wir entwickeln Junelight konsequent zu einem umfassenden Energiemanagement-System weiter. Durch kostenlose, regelm&#228;ige Software-Updates bleibt das System auch in Zukunft

Innovative technology The capacity of the Junelight Smart Battery allows for unlimited modular expansion at any time: up to six battery units with a net capacity of 3.3 kWh each can be retrofitted and flexibly adapted to changes in consumption behavior, e.g. when connecting heat pumps or charging electrical vehicles.

Mit der Junelight Smart Battery hat Siemens jetzt einen Batteriespeicher zur Speicherung und Nutzung von eigenerzeugtem Strom speziell f&#252;r Eigenheime auf den Markt gebracht. Der Lithium-Ionen-Speicher vereint Funktionen f&#252;r ein intelligentes und sicheres Energiemanagement mit modernem Design. Eigenheimbesitzer k&#246;nnen damit den maximalen ...

With the Junelight Smart Battery, Siemens is offering its first battery storage specially geared to the requirements in private homes for the storage and use of self-generated energy. The lithium-ion storage combines ...

With the Junelight Smart Battery, Siemens is offering its first battery storage specially geared to the requirements in private homes for the storage and use of self-generated energy. The lithium-ion storage combines functions for intelligent and safe energy management and modern design.

Innovative Technologie Die Kapazität der Junelight Smart Battery lässt sich modular und zeitlich unbegrenzt erweitern: Bis zu sechs Batterieeinheiten mit einer Nettokapazität von je 3,3 kWh können nachgerüstet und flexibel an ein verändertes Verbrauchsverhalten angepasst werden, etwa zur Anbindung von Wärmepumpen oder zum Laden von Elektroautos.

Last week the company unveiled Junelight Smart Battery, lithium-ion battery-based energy storage systems for private households, aimed primarily at maximising the use and integration of onsite-generated solar energy, dubbed "self-consumption" in many markets.

The Siemens Junelight app is your personal hub to observe and control everything that happens within your Smart Battery - all with just a tap of your finger. It visualizes the data you need to stay on top of your power consumption. That includes: - The charging level of your Smart Battery. - The level of autarchy you are currently achieving.

Die Smart Battery kann zeitlich unbegrenzt auf bis zu 19,8 kWh nachgerüstet werden. Inklusive 6% Sicherheitsreserve. Modelle Junelight Smart Battery Datenblatt siemens /junelight.
