

Kazakhstan aesc company

Where is AESC made?

Founded in Japan in 2007 and headquartered in Yokohama, AESC has been building manufacturing capabilities around the world in the U.S., U.K., Europe, Japan and China to serve key markets and leading customers locally for over 14 years.

Where is Kazakhstan located?

Kazakhstan is a transcontinental country in northern Central Asia and Eastern Europe.

Is Kazakhstan a landlocked country?

Kazakhstan is the world's largest landlocked country, and the ninth largest in the world, with an area of 2,724,900 square kilometres (1,052,100 sq mi). Kazakhstan is the dominant nation of Central Asia economically, generating 60% of the region's GDP, primarily through its oil/gas industry. It also has vast mineral resources.

Is Kazakhstan a republic or a country?

Kazakhstan was the last of the Soviet republics to declare independence following the dissolution of the Soviet Union in 1991. The current President, Nursultan Nazarbayev, has been leader of the country since then, and is characterised as authoritarian, with a government history of human rights abuses and suppression of political opposition.

Why is Kazakhstan a great country?

It also has vast mineral resources. Kazakhstan was the last of the Soviet republics to declare independence following the dissolution of the Soviet Union in 1991.
