Why should you choose Laniakea energy?

Laniakea energy offer top-of-the-line products that are sure to meet your needs. Our factory is a original Chinese factory that produces high-quality solar and air source products. Plus, we have a branch and warehouse in Germany, so you can get the products you need in a timely manner.

What products does Laniakea offer?

From residential to commercial markets, Laniakea offers a full range of solar mounting systems, mounting brackets, inverters, and air source heat pump. With a strong engineering and design team, Laniakea also provides custom solutions to meet the unique needs of its customers.

How did Laniakea become a successful brand?

With all confidence and determination, Laniakea raised its name to where success resides. It made the impossible a door to creativity and uniqueness, which gained it the trust of customers in all the markets in which it operated. This approach was sufficient to transform Laniakea into a brand chosen by international and Arab companies.

The "Laniakea" - Immeasurable Heaven Energy is fundamental to the existence of all life on our planet. In fact it is so pervasive it is the most visible reality in our universe which teems with billions and billions of stars constantly producing massive amounts of energy. The universe comprises approximately 75% of hydrogen.
