

What are the best solar panels in the UK in 2024?

We compared top solar brands to pick the best solar panels in the UK in 2024. We chose SunPower as the best for durability, Project Solar for customer satisfaction, and AIKO as the most efficient. Our experts have researched a broad range of solar panels on the market to help you decide which option best suits your needs.

Who makes the best solar panels?

We compared manufacturer data, independent reviews, and third party accreditations for all 322 available solar panel models on the market. According to our findings, the brands with the best solar panels include REC Group, Sunpower, and AIKO.

What are the best solar panels in the UK?

According to our findings, the brands with the best solar panels include REC Group, Sunpower, and AIKO. What is considered the "best" solar panel in the UK will vary depending on who you ask, and what metrics you value. Some homeowners may prefer a low-cost solar panel over one that's highly efficient, for example.

Which REC Solar panels are the best?

Not including the other solar panels on the list, we've identified REC's Alpha Pure-RXR solar panels as the best across all of the main categories that we've assessed. One of the most notable selling points is the 25-year product and performance warranty, a strong indicator of REC's quality craftsmanship.

What are the most powerful solar panels?

Efficiency Trina's Vertex N solar panel range takes the pick for the most powerful solar panels on today's market, with a power output between 685 - 710W. This makes them a great option for large homes with high energy demands, or even for very small homes with limited roof space, as solar expert Josua Pearce explains:

Which solar panels are the best?

High-performance panels from SPIC and Belinus using IBC cells have also closed the gap, plus new panels featuring N-type TOPCon cells from TW Solar, Astronergy, DAS Solar, Risen, Qcells and most established manufacturers have helped boost panel efficiency above 22%. * Last update July 2024.
