

Lazy French hairpin

What is a French hair pin?

If you're tired of wearing your hair in a classic ponytail or bun, the French hair pin--as intimidating as it may seem--is actually one of the best styling accessories to try. The trendy U-shaped pin can achieve a variety of hairstyles from a half-up, half-down look to the timeless chignon.

What are French hair pins & combs made of?

Our luxury French hair pins and combs are handmade in France using high-quality cellulose acetate. Our hair pin selection includes traditional two prong hair pins and hair sticks, great for holding a bun in place, and decorative bobby pins, ideal for securing stray hair in place.

Does a French hairpin work on thick hair?

Though the pin works on all hair lengths and texture, Mengert says it works best on those with medium to thick hair that is longer than shoulder-length. Whether attempting a classic up-do or a french twist, you are not limited when putting the french hairpin to use.

Can a French hair pin be used in a chignon?

The French hair pin is most commonly used in buns and chignons since they offer security, and properly placing them into these styles is fairly easy. But they also work well for creating a half-up, half-down look, says Polko. Shop the hair pin: Deborah Pagani Large Rose Gold Hair Pin

Should you wear a French pin on your hair?

"A french pin allows you to get more creative with your updos and is ultimately a healthier option to its alternative, the hair tie," adds hairstylist and colorist Doug Mengert. Though the pin works on all hair lengths and texture, Mengert says it works best on those with medium to thick hair that is longer than shoulder-length.
