It's easy to get bedazzled by the race for energy density. Early on at LiNa, we made the mistake of chasing this metric. We spent time on a sole mission to push our Wh/kg higher and higher. But as time progressed, getting reliable batteries into prospective customer hands was more important - and ultimately, with more testing, we settled on ...

Elevated Dining Experiences. The sophisticated food and beverage offerings include Lina, a flavourful breakfast and lunch restaurant. This venue features a delectable, light and fresh menu that leans into Bermuda's coastal offerings and is inspired by the irreverent glamour of yachting clubs of the past.
