

LiTime europe Egypt

Is litime a good battery?

New battery in no time ... LiTime is good for many reasons, and is pretty much the only battery I buy ... this particular thread has some interesting flow of how things can go wrong, and not necessarily because of the battery vendor ... just insert panel in place of battery, and replay the thread again. You must log in or register to reply here.

What is litime LiFePO4?

Intelligent Bluetooth 5.0 & Battery System Monitoring: The LiTime LiFePO4 battery uses Bluetooth 5.0 with FCC and CE-RED certification for a stable connection and is ideal for 24V trolling motors with 70-100 lb thrust. About the self-developed LiTime app SOC, voltage and current... Off EUR399,99 EUR672,26 Off EUR399,99 Save EUR272,27 unit price / pro

Are litime batteries self-heating?

After watching a lot of Williams videos I settled on LiTime's self-heating batteries. The batteries arrived around the 1st week of April. I brought the batteries to our shop and prepared our equipment for the electrical system. The 3rd week of April I attempted to install one battery and test the electrical system.

What should I know before buying from litime?

Before you buy anything from LiTime, should know my consumer experience!! The purpose of this is to let everyone know about my purchasing experience with LiTime so hopefully it will save you un-necessary waste of time and money. I needed 2, 12v 100 Ah batteries for some equipment at work.

Should litime eat a battery?

I am not so sure that LiTime should eat a battery because someone didn't follow the shipping receive process ... the process is pretty much the same for any vendor ... receive the product from the shipper, inspect it, and if damage, note it and start taking pics.

Premier electric boat battery solution for Major League Fishing (MLF) events. Best lithium battery tailored for 12V-36V trolling motors, also suitable for electric outboards, solar systems, RVs, and off-grid use 100% compatible with Minn Kota motors and other brands. 1*battery for 30-70 lb, 2*batteries for...
