Where is AVIC lithium located?

On August 10, 2021, AVIC Lithium and Hefei signed an investment agreement, and the 50GWh power battery and energy storage battery industrial base project was officially settled in Changfeng County, Hefei.

Who is AVIC lithium battery?

AVIC Lithium Battery Co., Ltd., a subsidiary of Aviation Industry Corporation of China, is a high-tech new energy enterprise specializing in R&D and the production of lithium-ion power batteries and lithium battery management systems.

When will AVIC lithium be on the market?

The products using this technology, iron-lithium support 700km battery life, ternary support 1000km battery life, are expected to be on the market in June 2022. The technical release of AVIC Lithium has aroused a strong response on the scene and has attracted great attention from industry experts and colleagues.

What is AVIC lithium battery Wuhan base project?

AVIC lithium battery Wuhan base project was signed on May 31, 2021, with a total investment of 10 billion yuan, and the first-phase production capacity will reach 20GWh.

What will AVIC lithium do for Hefei?

Hefei and the new energy power battery national team AVIC Lithium will help Hefei build the capital of new energy vehicles while also opening up new space for the development of AVIC Lithium.

How Xie Qiu introduced AVIC lithium?

Xie Qiu introduced AVIC Lithium's thinking on the development of power battery technology under the new industrial situation, and introduced the planning and prospect of the company's next generation technology, and issued a new design technology product of AVIC Lithium for the TWh era-- One-Stop Battery.
