

Montserrat sacred sun scifp48100

Sacred Sun SLSIFP48100A is a 100Ah, 4.8kWh, 48V Lithium Battery. It is also known as LFP battery with Lithium Iron Phosphate LiFePO₄ (LFP) as a battery chemistry. It is compatible with 48V UPS & Solar System.

SCIFP48100, a powerful 48V LiFePO₄ battery product, has been especially designed to provide power backup for remote or outdoor telecom sites, off-grid, on-grid, and household usage energy storage systems. Its modular design enables parallel ...

SCIFP48100, a powerful 48V LiFePO₄ battery product, has been especially designed to provide power backup for off-grid, on-grid and household usage energy storage systems. Its modular design enables parallel installation meeting also the needs for larger power back up.

SCIFP48100, a powerful 48V LiFePO₄ battery product, has been especially designed to provide power backup for off-grid, on-grid and household usage energy storage systems. Its modular design enables parallel installation ...

SCIFP48100(3U) (48V 100AH) Nominal Voltage: 48V. Rated capacity: 100Ah Weight Approx: 40.6kg (89.50lbs) Certification: IEC 60950, UN 38.3, IEC 62321, UL 1642, IEC 62133, UL 1973, ISO 9001, ISO 14001, OHSAS 18001. Applications: BESS, Renewable, Telecoms, UPS

SCIFP48100, a powerful 48V LiFePO₄ battery product, has been specially designed to provide power backup for off-grid, on-grid, and household usage energy storage systems. Its modular design enables parallel installation meeting the need for larger power back up.

SCIFP48100, a powerful 48V LiFePO₄ battery product, has been especially designed to provide power backup for remote or outdoor telecom sites, off-grid, on-grid and household usage energy storage systems. Compared with ordinary lithium batteries, this battery has the functions of 57V constant voltage output, anti-theft, GPS, remote monitoring ...
