

My sol company Belarus

How did bysol help people in Belarus?

In addition to financial assistance, more than 200 political prisoners were retrained for a new profession, 14 civic initiatives were supported with more than EUR50k, and 224 people were taken out of Belarus to safe countries. BYSOL is all of us. Keep working! We have helped over 20,000 people and continue to do so every day!

Who does bysol help?

Now we help those who suffered at the hands of the regime. BYSOL supports released political prisoners and their families, people forced to leave the country, Belarusian volunteers in Ukraine, and initiatives that help Belarusians fight lawlessness in the country.

How many evacuations has bysol done in Belarus?

The BYSOL team has carried out 850 successful evacuations from Belarus - that's a lot of stories of people and their families, as well as chances for a better future for them. BYSOL helped with more than EUR1.056 million to the victims of the regime, their families, and Belarusian volunteers in the war in Ukraine.

Why do we help families to leave Belarus?

In conditions of political persecution, threats to human freedom, life and health we help families to leave Belarus safely and quickly. In Belarus, more than 1000 people ended up in prisons because they did not want to turn the blind eye to the terrible actions of the authorities. Support is needed not only for them but also for their families.

Who needs funds for repressed medics in Belarus?

Foundation for Medical Solidarity of Belarus announces fundraising for repressed medics The Belarusian Orthodox Community of the Constantinople Patriarchate in Vilnius needs funds to pay rent and repair the premises where worship services and community meetings will be held.
