

Neton power Australia

Who is Neton power?

At NetOn Power we are part of Quantum Energy Partners, a large global investment firm with over \$18 billion invested in energy, through vehicles such as its renewable energy platform 547 Energy. NetOn Power is backed by 547 Energy, a global platform specialising in renewable energy and the green economy, powered by Quantum Energy Partners.

How does Neton power work?

For groups of companies located on the same industrial estate, NetOn Power offers industrial energy community solutions. In this case, customers share the energy produced by the same self-consumption facility, located either on their roofs or ground-mounted in their immediate vicinity.

Why should you choose Neton power?

Why choose NetOn Power? NetOn Power is a platform launched by investment firms Quantum Energy Partners and 547 Energy, together with a team of experts in the energy sector, whose goal is to contribute to the competitiveness and sustainability of industrial companies, under the highest quality standards.

En NetOn Power ofrecemos soluciones integrales de autoconsumo energético a empresas industriales, basada en un PPA local. El cliente no tendrá que incurrir en ninguna inversión, teniendo acceso a unos ahorros sustanciales en su factura eléctrica y obteniendo un precio estable de la electricidad garantizado a largo plazo (normalmente entre los 10 y 20 años).
