Ngonye Solar Power Station (NSPS), is a 34 MW (46,000 hp) solar power plant in Zambia. The solar farm that was commercially commissioned in April 2019, was developed and is owned by a consortium comprising Enel Green Power of Italy, a multinational renewable energy corporation, and the Industrial Development Corporation of Zambia (IDC), a parastatal company.

Location. The power plant is located in the Lusaka South Multi-Facility Economic Zone, in Kafue District, in Lusaka Province, approximately 25.5 kilometres (16 mi), by road, southeast of the central business district of Lusaka, the capital of Zambia and the largest city in that country. The geographical coordinates of Ngonye Solar Power Station are 15°31'03.0"S, 28°25'44.0"E ...
