North Korea's approach to deterring an attack from the U.S. and South Korea is asymmetric: leaning heavily on strategic missiles and a nascent nuclear program to compensate for a large but obsolescent conventional force. So said the Defense Intelligence Agency (DIA), in its first-ever "North Korea Military Power" report.

Whatever the reason may be, Gen Power Solutions provides maintenance and services when. you need it, where you need it, 24/7, backed-up by timely, reliable, round-the-clock and. efficient technical and maintenance services by qualified and experienced technical. personnel.
