Will Northvolt AB buy Novo energy?

However, fast forward two years and Volvo has released a statement saying that it has notified Northvolt that it will "invoke its redemption rights to acquire Northvolt's shares in Novo Energy". "This action follows a breach of the parties' shareholders' agreement where Northvolt AB has not fulfilled its financing obligations," the statement said.

Is Volvo taking over a joint venture with Northvolt AB?

Volvo Car AB said it is taking over a joint venture with struggling Swedish battery maker Northvolt AB.

Why did Northvolt stop donating more capital to Novo energy?

Northvolt, which is fighting to raise a rescue package in the coming days, said it had decided not to contribute more capital to Novo Energy and instead focus its funding on its sole current factory in Skellefteå; in northern Sweden, where it has struggled to ramp up production.

You will be employed at NOVO Energy from the start. For your first 12 months you will be on leave from NOVO Energy and get a temporary employment at Northvolt. After 12 months (or whatever is agreed upon), the leave ends and when you move back to Gothenburg you start your job as an employee of NOVO Energy.
