

Photovoltaic panels wholesale set

What is a wholesale solar panel kit?

Maxbo's wholesale solar panel kits are built with high-efficiency photovoltaic cells that capture more sunlight and convert it into electricity, even in less-than-ideal conditions. Our panels are constructed using robust materials that are designed to withstand harsh weather conditions, such as heavy snow, wind, and extreme temperatures.

What types of solar panels are available?

Our wholesale solar panels are available in 2kw, 4kw, 10kw, 25kw and 50kw grid tie solar panel bundles...making them perfect for one large, or several smaller grid tie solar system installations. For all wholesale pricing offers, please contact us updated pricing and freight quotations.

Who is wholesale solar warehouse?

Wholesale Solar Warehouse is family-owned and operated by Charles and Lori Bush in Richmond, VA. We believe in doing business the old fashioned way with honesty and integrity. We believe that solar should be affordable to all people not just to the wealthy. Wholesale Solar Warehouse is your trusted partner for all your DIY solar projects!

What is a wholesale solar panel bundle pack?

Built with our large 230W grid tie solar panels, our wholesale solar panel bundle packs give you the ability to purchase all of the high-efficiency grid tie solar panels you need for your home, or for several installations, in a convenient package...at deep discount prices.

Why should you invest in wholesale solar panel kits?

Investing in wholesale solar panel kits allows businesses, contractors, and installers to benefit from this trend by offering cost-effective, scalable solar energy solutions to their customers. At Maxbo, we offer wholesale solar panel kits that are ideal for a wide range of applications, from residential rooftops to large commercial installations.
