

# Placa solares Pitcairn Islands

Can solar energy replace fossil fuels on Pitcairn Island?

Pitcairn's authorities have launched a renewable energy project designed to replace fossil fuels with solar energy. The goal is to replace 95% of the current diesel consumption on Pitcairn Island (75,000 liters per year) with a combination of energy saving and solar electricity through the installation of a hybrid photovoltaic solar energy system.

Are the Pitcairn Islands Green?

Pitcairn Islands, a group of five islands with a total area of 47 km<sup>2</sup> and which constitute one of the most remote archipelagos in the world, turn to safer, greener energies that best meet the needs of the population. Pitcairn's authorities have launched a renewable energy project designed to replace fossil fuels with solar energy.

Where are the Pitcairn Islands located?

The Pitcairn Islands ('p?tk??rn /PIT-kairn; Pitkern: Pitkern Ailen), officially Pitcairn, Henderson, Ducie and Oeno Islands, are a group of four volcanic islands in the southern Pacific Ocean that form the sole British Overseas Territory in the Pacific Ocean.

Is there a church on Pitcairn Island?

Although the Adventist Church has always maintained a resident minister and nurse on Pitcairn, there have been fewer adherents and some church members have moved away from the island. By the end of 2000, regular church attendees among the island population of 40 numbered only eight. ^a b "Education on Pitcairn Island"; Pacific Union College.

How big is Pitcairn Island?

The four islands-- Pitcairn, Henderson, Ducie and Oeno --are scattered across several hundred kilometres of ocean and have a combined land area of about 47 square kilometres (18 square miles). Henderson Island accounts for 86% of the land area, but only Pitcairn Island is inhabited.

Who are the Pitcairn Islanders?

The Pitcairn Islanders are a biracial ethnic group descended mostly from nine Bounty mutineers and a handful of Tahitian consorts. As of 2023, the territory had only 35 permanent inhabitants.
