Price of solar panels in St Kitts and Nevis

Kitts and Nevis BASSETERRE, SAINT KITTS, November 29, 2023 (Press Secretary): The Government of Saint Kitts and Nevis and the St. Kitts Electricity Company Ltd

The National Energy Policy has created the framework that allows St. Kitts to transition from a primarily fossil fuel source of energy to alternative renewable energy sources such as wind, solar, geothermal, hydro and waste to energy (WTE).

Basseterre, the capital of St. Kitts, is a prime location for solar energy adoption due to its high population density and the government's focus on modernizing the city's infrastructure. As the economic hub of the nation, Basseterre experiences significant energy demand from both commercial businesses and residential areas.
