

Prostar energy Eritrea

Who is ProStar energy solutions?

In this way, the Jerry Jones Family has demonstrated the value of true partnership as we have become a strategic advisor to organizations of all sizes and sectors across the Nation. ProStar Energy Solutions, owned by the Jones Family, was formed with the opening of AT&T Stadium to solve the challenges of managing electrical energy spend.

Why should you choose ProStar energy?

They're the perfect way to save money and become more sustainable over the long run. ProStar Energy is a trusted solar panel provider for both commercial and residential systems across the south of England. Our team have completed over 5,000 installations over the years, giving us an in-depth understanding of all types of solar technology.

How good is ProStar?

Chris and the team at Prostar have been wonderful. They provided sound advice throughout, offered multiple options for different ways of doing things depending on our potential funding and last but not least they have done an amazing job of fitting the final system. The system works really well and is already making a difference to our bills.
