Our High-Performance LFP-10 Max battery is easy to install, safe, and reliable. It provides the lowest lifetime energy cost for both new solar customers and retrofit customers. Fortress Power Lithium Batteries have the industry's most advanced technology with a Battery Management System that integrates multilevel safety concepts:

Note. Effective July 1, 2015, all existing customers and new customers who wish to ship lithium metal batteries without equipment (UN3090) via UPS & Air services must obtain pre-approval from UPS Airlines. This requirement is to ensure that proper training has occurred and that all applicable safety regulations are properly followed for such shipments.

Serie Pytes E-BOX, una batería de 5.12 kWh de fosfato de litio y hierro (LFP) para sistemas de almacenamiento de energía residencial y comercial.
