Vi fortsätter utveckla Mina sidor till Qstar Kundklubb och uppdaterar samtidigt våra Allmänna villkor. Alla våra befintliga kunder som redan har tillgång till Mina sidor är automatiskt med i Qstar Kundklubb.

The energy market in The Netherlands became privatized in 2004. Since then consumers are free to compare and choose their own energy supplier. This opened a new market with strong competition. Tariffs, conditions and customer service may vary depending on the energy supplier. However, there are authorities that regulate fair practices and ...
