

Photovoltaikmodul SunLink 440 W Black Frame. Es wurde in Half-Cell-Technologie mit 108 monokristallinen Zellen N-type TOPCON und 10 Busbars gebaut. Dies bringt den Vorteil geringerer Energieverluste durch Abschattung und geringerer Leistungsverluste an den Zellanschlüssen mit sich. PV-Modul SunLink 440 W N-type zeichne

SunLink PV | 446 Solar Module Manufacturer Since 2004 | Sunlink PV founded in 2004 is one of the earliest solar module manufacturers in China and has been engaged in green energy production for 20 years. With senior operation team, industry-leading manufacturing equipment, advanced production management philosophy. Sunlink PV is ...

Founded in 1997, Sunlink Pv Solar is one of the world's leading PV companies. Fully vertically-integrated from ingots to modules in both mono and multicrystalline technologies, Sunlink Pv offers world class quality in its high performing modules.

Sunlink PV's products' design and manufacturing are based on 15 years' product warranty for workmanship and materials and 25 years' line output warranty while 30 years' line output warranty for glass-glass products. Sunlink PV have two times tests than average industry during manufacturing. Sunlink PV have after-soldering EL test, pre ...

Sunlink PV Power+ modules are using rectangle cells to laminate more client's value size solar modules. Power+ solar modules are perfectly size and higher output comparing with regular N-Type solar modules. N-Type Power+ Module. Power. 620 ...

2012 Solar projects in Germany invested by Sunlink PV connected to the grid. 2013 Standard Solar Enterprise certified by the Minister of Industrial and Information Technology. 2014 ...

Polikrystaliczny panel słoneczny Sunlink PV o mocy 280W umożliwia darmową produkcję produktu konwertującego energię słoneczną w elektryczną. Produkt posiada 15-letnią gwarancję. Wymiary: 1650 x 992 x 35 mm.

To ensure product safety performance, Sunlink PV modules have been certified by T&#220;V S&#252;d, and have received T&#220;V North Germany Salt Spray, Ammonia and Sand Dust Test Certificates, as well as the Golden Sun Certification from Check & Balance. Tested to IEC61730/IEC61215 standards, Sunlink PV modules are proven to withstand long-term climate ...

Sunlink Commercial Installer products, partnership program. Engineering, Planning and Construction EPC Support. Over the past 10 years SunLink's operations, a number of small to medium end customers have inherently needed to source additional components in order to complete their solar PV installations, in turn handing over the necessary components to ...

Founded in 2005, Sunlink is one of the world's leading PV companies. Fully vertically-integrated from ingots to modules in both mono and multicrystalline technologies, Sunlink offers world class quality in its high performing modules.

2012 Solar projects in Germany invested by Sunlink PV connected to the grid. 2013 Standard Solar Enterprise certified by the Minister of Industrial and Information Technology. 2014 Became a high-tech enterprise. 2015 Sunlink PV became Jiangsu famous brand. 2016 Sunlink PV became technical center. 2017 CH group became the biggest shareholder

Recientemente, Helius Sunlink PV lanz&#243; en Brasil la tecnologia de m&#243;dulo solar Zero Busbar y los nuevos modelos que cuentan con esta tecnolog&#237;a estar&#225;n expuestos en el evento, as&#237; como otras novedades que ser&#225;n lanzadas exclusivamente en ...
