Saint Helena real goods solar living center

Real Goods in Hopland is a solar educational center that was built in the mid 1990's. Their original history dates back to the 1970's; founder John Schaeffer started Real Goods in the town of Willits (and he actually sold the first solar panel in the United States). They are located at 13771 South Highway 101 on the east side of the road.

Real Goods. Located about 90 miles north of San Francisco, the center encompasses three distinct elements: The 5000 square foot Real Goods retail store, the Solar Living Center- a non-profit educational and research division ...
