Billionaire Gina Rinehart and South Korea's Posco International have won control of Senex Energy following a shareholder vote with the Queensland gas producer forced to defend the value of the deal amid a rapid surge in oil prices.

Energy major Senex Energy has warned that the federal government's cap on gas prices placed its A\$1-billion expansion plans at risk. "While Senex supports measures to provide relief to Australian households and businesses from rising energy prices, this legislation goes much further and now challenges the commercial rationale for investing in future gas supply projects ...

Rinehart and Korea's Posco take over Senex Energy A majority of shareholders approved the \$900 million takeover of the east coast oil and gas company amid the global turmoil in energy markets ...

New laws passed by the Albanese Government that could arbitrarily dictate investment returns for gas producers puts at risk Senex Energy's \$1 billion investment plan to bring new gas to the east coast market. This will result in less gas, electricity shortages, fewer jobs and weaker regional communities that rely on the resources sector. In [...]

We are aware of several fake job advertisements and job offers that are impersonating Senex Energy and members of the company's executive. Please note, Senex does not issue letters of offer without interviews and due diligence. We also never ask for personal information or bank account details from a generic email address.

Traineeships. Senex Energy partners with TAFE Queensland to run a Certificate III in Process Plant Operations traineeship program. This nationally recognised program helps to develop trainee's skills in operating production equipment and opens up a range of possibilities in the natural gas industry and further study pathways.
