

Ankit Mittal, CO-Founder and CEO of energy software company, Sheru talks about how the integration of V2G technology with battery swapping is revolutionising the EV industry and how this intuitive platform is helping in improving battery performance.

Sheru features in Inc 42's list of EV startups enabling sustainable mobility in India. ... The Battery Beat - weekly business review of batteries Sheru 1y ... (Russian) Svenska (Swedish) ...

Shikhar Sharma, COO, Sheru said, "In the relationship with BSES, we are helping secure round-the-clock power from renewable energy sources. Standalone battery storage involves large CAPEX ...

Sheru, an energy storage start-up based in New Delhi, India, offers cloud storage solutions by aggregating idle battery capacity to create a virtual energy storage platform. Notably, Sheru is the world's first company to integrate V2G technology with battery swapping, synergizing two complementary systems.

Sheru is a software platform building the backend for the new energy networks. Delhi, Delhi, India; 11-50; Seed; Private; sheru.se/ 216,557; Highlights. Employee Profiles 3. Investors 13. Similar Companies 7. ... A battery charging dock designed for charging detachable e ...

Energy storage company Sheru recently partnered with power utility BSES Rajdhani Power Ltd to set up India's first vehicle-to-grid (V2G) EV battery swapping station in New Delhi. In this interaction, we have Ankit Mittal, ...

& quot;Sheru& #39;s state-of-the-art bidirectional battery-swapping station will offer interchangeable batteries for electric two-wheelers, three-wheelers, and rickshaws,...

Intercity bus service provider, zingbus, and Sheru, a provider of innovative battery management and energy storage solutions, have joined forces in a partnership aimed at scaling e-mobility for intercity commutes. Under the ...

Sheru's AI solution ensures that this aggregated battery capacity functions within optimal conditions, to maximize efficiency while having the longest possible lifespan. Going beyond the chemistries which ensure that batteries have the right physical attributes, our AI ensures that the benefits derived from the batteries are optimized and ...

The solution to all of that and more from India's only pay-per-use battery swapping app. Find your nearest battery swapping outlet now! What you get from joining the Tezz network: ... abhinav.j@sheru.se . Plot No. 155, kh no. 5/1 HARIJAN BASTI POCHANPUR,Golf Course Road, Sector 19B New Delhi, Delhi 110075
