6 NEMA 5-15R outlets: 4 of the 5-15R outlets (standard AC outlets) provide both battery backup and surge protection for your computer, monitor and other Crucial components. The other 2 5-15R outlets are only surge-protected, so non-essential equipment which doesn't require battery backup should be connected- such as printers and scanners.

Single plug battery backup outlet? I have a sound machine for my son that is plugged into the wall. I live where there are a lot of storms and power outages so if the power goes out the machine turns off and baby wakes up which isn't fun for anyone. I don't know anything about electricity, but I searched google for some sort of single outlet ...

The product adopts standby topology with energy-saving technology to save UPS electricity costs. The product provides battery backup during power outages. Other features include LED status indicator to show the UPS conditions, EMI filter to safeguard the devices, and surge-protected outlets to absorb unstable power caused by thunder and lightning.

Idea two: put a second outlet in the closet next to the hot outlet but only wire this new outlet directly to the shelf outlet (so the outlet is not actually hot - just two outlets connected together). Then use a male-to-male power plug and connect the UPC battery backup into the new outlet so it can power the plug above it on the shelf.

Batteries big enough for a functional UPS are going to be contained in a package large enough for multiple outlets, which is what most people want. So you'll probably never find a single outlet UPS. This is ultimately a management problem. Put safety plugs in the outlets and tell management and users that no one is to remove them.

The APC BR1500G Backup Battery is pretty large in terms of size. It has five battery backup and surge-protected outlets and another set of five outlets with only surge protection, for a total of ten. However, there are no USB ports to plug in your phone directly. There's also a small backlit LCD that shows plenty of information at a glance.
