What is Nature Foundation St Maarten doing to reduce plastic pollution?

Nature Foundation St. Maarten is urging residents and businesses to abandon the use of single-use, non-biodegradable plastics such as straws, plastic bags and polystyrene foam containers in a bid to reduce the crippling plastic pollution on the island.

Should St Maarten stop using plastic?

Residents and businesses of St. Maarten are being urged to abandon the use of single-use, non-biodegradable plastics to help create a cleaner and greener St. Maarten. The health of the island's biodiversity and economy is currently at great risk from the large amounts of plastic waste pollution.

PHILIPSBURG, Sint Maarten -- Sint Maarten's national power grid, managed by NV GEBE, is currently facing significant challenges due to aging infrastructure, high electricity demand, and recent generator failures. These issues have led to power shortages, load shedding practices, and widespread blackouts, which have severely impacted the island's economy and ...
