

Will Sol energize St. Maarten?

Sol, the Caribbean's leading provider of petroleum-based energy solutions, has taken a major step towards energizing St. Maarten.

What does GridMarket do for Sint Maarten?

GridMarket was chosen as Sint Maarten's exclusive renewable energy partner to help the island reach 85% renewable penetration and 100% heavy fuel oil free by 2030. Sint Maarten will work with GridMarket to identify, design, procure, and install distributed energy assets and make corresponding infrastructure upgrades.

What actions is Sol taking in St. Maarten?

Sol is exploring initiatives in St. Maarten to lower the carbon footprint through renewable energy and Liquefied Natural Gas (LNG). The company views the island's otherwise untapped low carbon and renewable energy industry with optimism for the future.

How much money has Sol invested in St. Maarten?

Sol has invested over US\$22M into the St. Maarten economy during the past five years. The company projects an additional capital investment of approximately US\$34M.

What does Sol St. Maarten's acquisition mean for consumers?

According to Robert James, General Manager of Sol St. Maarten, the acquisition unlocks opportunities for synergies and efficiencies across the business, enabling Sol's teams to focus on delivering safe, reliable products and services to a wider base of consumers in St. Maarten.
