Is Viridi Parente a 'fail-safe' point-of-use battery storage technology?

Funding to Accelerate Commercial Deployment of Fail-safe, Point-of-Use Lithium-Ion Battery Storage Technology BUFFALO, N.Y.-- (BUSINESS WIRE)-- Viridi Parente, Inc. (Viridi), a leader in developing safe, resilient, point-of-use battery storage technology, has raised \$94.695 million in a Series C funding round.

Who is Viridi Parente?

Received strategic investments from National Grid Partners and Sunbelt Rentals. Through a partnership with Ly-Cycle, Viridi Parente commits to 100% recycling for all end-of-life cells making Viridi the first company in the industry with such a bold commitment.

What makes Viridi Parente unique?

Through a partnership with Ly-Cycle, Viridi Parente commits to 100% recycling for all end-of-life cells making Viridi the first company in the industry with such a bold commitment. Fail-Safe design validated with in house tests for the RPS 50. Final RPS 50 destructive UL9540A test at independent test agency.

Is Viridi Parente a good investment?

Financially, Viridi Parente is well-positioned for growth. The company has raised \$118 million through three funding rounds, with backing from prominent investors like Tom Golisano, the founder of Paychex, industry leaders like Sunbelt Rentals and National Grid Ventures, and Williams himself.

Why is Viridi Parente partnering with KULR Technology Group?

With safety being a key factor to the success of point-of-use battery storage, Viridi Parente is working with KULR Technology Group, Inc. (NYSE: KULR) to combine its patented safety technology with Viridi's battery architecture, creating a pack system that is safe enough to install indoors and durable enough to withstand the outdoor elements.

How many employees does Viridi Parente have?

Viridi Parente has about 60 employees now, and while Williams said he doesn't like to give public headcount projections, it's safe to say that he's expecting to grow significantly throughout the business. "This isn't your typical project where you expand by 10 or 15% over three years," he said.

Why should you go to Sint Maarten? Saint Martin is a beautiful island brimming with culture, delicious and picturesque scenery, this alone is already a good reason to visit Saint Martin. But St. Maarten also possesses so many unique qualities that draw many tourists back to ...
