What's more, SOKERDY LiFePO4 50Ah batteries could connect max. 4P 4S to build a 48V(96V) 200Ah battery system, Energy ("P" refers to parallel, "S" refers to series). With the weight of 22lbs/10kg, the 24V battery is only 1/3 of the weight of the traditional SLA battery.

SOKERDY 12.8V 160Ah Lithium LiFePO4 Deep Cycle Battery, Build in 160A BMS, 4000+Cycles, ... The box was crushed and showed water damage. The inner boxes and items were not damaged. I tested the second battery at Sokerdy recommended 5A to 10V. It tested to 14.1Ahr and ran for over 15 minutes at 20A rated discharge as well. Multiple tests at ...

The charger goes red for approx 5 seconds when plugged in to the battery. No heat on the charger or battery...pressed the button for up to 30s and nothing from that either. It's so annoying as wife only used the bike 5 times before she got ill, so it's basically brand new. I'm thinking the battery has fully discharged over the dormant time.

4 ???· - The saddle offered me a comfortable body position for upright riding, and the colour has a modern twist with brown faux leather handlebars. - I was not so impressed with the Li-Ion Phylion battery (317Wh/8.8Ah capacity) location ...

I have searched for a new battery for a pendleton somerby (earlier model) and finally struck gold on Ali Express. It has now arrived, been charged up and works just fine! If anybody needs a new battery (same sort/size/fittings etc.) Go on to Ali Express and search: Phylion Joycube SF-03 36V About £190. Hope this helps somebody.

Specs, reviews & prices for the 2021 Pendleton Somerby Electric Bike. Compare forks, shocks, wheels and other components on current and past bikes. View and share reviews, comments and questions on road bikes. Huge selection of road ...

Went out this week, battery died on my ride (thought it definitely said fully charged, as did the handlebars but probably my mistake!), so got home to charge it, plugged in and charger was red, battery light on 20%. Left it a few hours and when I went to check the charger light was green but the battery light was still on 20%.
