What are the different types of solar panel agreements & proposals?

There are different types of solar panel agreements and proposals available. The one you use will depend on a few different factors. These factors include whether you lease or buy solar panels and whether the contract is for a home, business, or even a large development. A power purchase agreement or PPA is similar to a solar lease agreement.

What is a solar power purchase agreement (PPA)?

A solar power purchase agreement (PPA) is a financial contract in which a third-party developer owns, operates, and maintains the photovoltaic system, and a customer agrees to purchase the system's electric output from the solar services provider for an agreed-upon price and for a predetermined period.

Do you need a solar power agreement?

These agreements can be related to a solar power lease, PPA, or outright buying of the system. Whenever developing alternate forms of power, it's good to have an agreement with your Provider. This ensures everyone is clear on their roles and responsibilities.
