Request a quote or get expert guidance from our certified professionals on the right solution for you. We install for all the main solar battery storage companies in the UK, including Tesla Powerwall, GivEnergy, Alpha Smile, Sonnen, LG Chem, Powervault, SolaX, and Pylon Tech.

Which solar battery storage system is right for You?

The sonnenBatterie 10 is the perfect all rounder smart solar battery storage system for you if you're looking to integrate it into an existing PV system or build a new system. Because this battery comes in 3 different sizes (5.5kWh, 11kWh, or 22kWh), you're likely to be able to find one that fits your energy demand.

Why should I choose a solar battery storage installation?

Choose a Solar Battery Storage Installation to capture more of your solar electricity & charge up with cheap, off-peak, grid electricity.

Can battery storage provide free electricity?

When it's dark and your solar panels aren't generating, battery storage can provide free electricity to power your home. Request a quote or get expert guidance from our certified professionals on the right solution for you.

What are the different types of solar batteries?

Different battery types have different benefits that help to determine how effective it is at storing energy. Generally, Lithium-ion batteries tend to be popular as the standard installation for on-grid solar battery storage. Other battery types that we mention in this article include lithium iron phosphate and lithium-polymer.

How long do solar batteries last?

Warranty is a good measure of the quality of some of the best of the solar batteries. One of the longest warranties for a solar battery in the industry is 25 years by SunPower. However, the average warranty period you'll find for most solar batteries is 10 years.

Since 2006, Alternergy has grown to become one of the leading B2B distributors of Solar PV, Battery Storage and Mounting solutions for the UK, Ireland and beyond. Named a 'Company to inspire Britain' by the London Stock Exchange in 2014, we have come a long way.
