

Solar generator kit for homes New Zealand

We've designed a new range of rigid and flexible solar panels giving your van a solar input of up to 4800W*. Use your alternator to recharge with 1000W. Spending the night on a campsite? Then take advantage of shore power for an extra 3000W. Caught short? Rely on our Smart Generator for emergency backup.

Stay Powered, Wherever Life Takes You. The EB70 portable power station packs the 1000W AC inverter and 716Wh LiFePO4 battery, which is great for outdoor adventure, camping, hiking, fishing, emergencies, and more.
