Are there Adventist churches in Pitcairn?

Archived from the original on 19 October 2015. Although the Adventist Church has always maintained a resident minister and nurse on Pitcairn, there have been fewer adherents and some church members have moved away from the island. By the end of 2000, regular church attendees among the island population of 40 numbered only eight.

Why is Pitcairn Island a good place to live?

Pitcairn Island is remarkably productive and its benign climate supports a wide range of tropical and temperate crops. All land allocation for any use including agriculture is under the discretion of the government. If the government deems agricultural production excessive then it may tax the land.

How did the Pitcairn Islands make money?

The Pitcairn Islands issued their first stamp in 1940. These became very popular with stamp collectors, and their sale became the dominant source of revenue for the community. Profits went into a general fund which enabled the island to be mostly self-sufficient.

The side road along from the Pamai Centre leads down to the Public electricity generators which operates from 6.00am to 10pm daily. Most private homes and many government buildings are now Solar Powered. Before entering the Square, there is a short road that leads to the Island's Medical Centre.
