

Is solar energy production in Sweden a good year?

From a PV production perspective good year but below the historic record of 1050.6 kWh/m² in 2018, when long periods of anticyclone weather (where barometric pressure is high) over Scandinavia gave very sunny weather during May and July. Figure 20: The annual average accumulated global solar radiation in Sweden between 1984 and 2019.

How much do solar GOs cost in Sweden?

But according to Svensk Kraftmarkning (SKM), the largest brokerage firm in the Nordic electricity market, Solar GOs were generally traded in Europe for 33 EUR-cents/MWh in 2020, which would translate to the value of around 0.0033 SEK/kWh. However, some Swedish utilities buy solar GOs issued in Sweden from small-scale PV owners for a much higher price.

Will the Swedish solar market benefit from a political agreement?

Many of the introduced legislation changes in the coming years are expected to spring from this political agreement, and the Swedish PV market will most likely benefit from it. The current capital subsidy for solar cells was introduced on July 1, 2009.

Should you invest in solar panels in Sweden?

In conclusion, while the initial investment in solar panels in Sweden may seem substantial, the long-term financial benefits, including annual savings, ROI, and cumulative savings, make it a wise and sustainable choice for homeowners looking to reduce their energy bills and contribute to a greener future.

Do Swedish utilities buy solar GOs?

However, some Swedish utilities buy solar GOs issued in Sweden from small-scale PV owners for a much higher price. From the first of October 2021, GOs can solely be issued for the electricity that reaches the grid supported by the grid concession.

Does Sweden have a solar subsidy program?

There are currently no retrospective measures applied to any subsidies for PV in Sweden. There were no rural electrification measures in Sweden in 2020. As from the first of August 2018 PV and solar thermal system installations on buildings are exempted from building permits in general.
