

Solar panda products United Kingdom

Who is solar Panda?

Solar Panda is an innovative company providing home solar systems to rural African communities without access to electricity. Our loan-to-own model allows millions of families to have electricity for less than the daily cost of kerosene and mobile phone charging.

Why should you buy a solar Panda kit?

Solar Panda offers competitive,affordable products. With payment options like daily payments or buying the product outright,Solar Panda kits save money while replacing harmful kerosene and costly mobile phone charging. Solar Panda's products are designed with the long-term in mind.

How does solar Panda work?

Small daily,weekly or monthly payments using mobile moneygive immediate access to solar energy. The unit is owned outright in as quickly as 1 or 2 years. No more payments need to be made,and Solar Panda electricity can be enjoyed for years to come. Solar Panda offers competitive,affordable products.

Why should you choose Panda solar?

We offer each of our clients the solution he needs,thanks to a comprehensive range of photovoltaic modules. PANDA SOLAR delivers,straight from leading manufacturers in the industry,highly efficient photovoltaic modulesthat have been tested and approved for extended lifetime by certified and world-renowned laboratories.
