

Solar panels at home Curaçao

Despite being a leading clean energy technology, there is still a lot of mystery surrounding installing home solar panels. There are several benefits to getting solar panels for your home, like electricity bill savings and powering your home with clean energy.. That being said, residential solar is an investment that costs around \$18,000 and comes with plenty of do's and don'ts.

Curaçao taxes solar energy generation - you pay a monthly fee for owning solar panels (like a 100 NAFL). These changes also meant that instead of earning back the investment in 3 years, it was a period of 10 years. However, last year they returned the compensation for solar power generation and halved the solar energy tax.

Investing in a 15kW off-grid solar system with a 40kWh lithium battery and a dual-voltage inverter is an excellent choice for homeowners in Curaçao. The specially designed solar panel bracket maximizes energy capture, enhancing the ...
