Where can I buy Solatube products?

Solatube products are available at select building supply stores--ideal for contractors or DIYers who want to enhance their home on their own. Once you enter your zip code choose contractor when searching. Find a Solatube Premier Dealer/Certified Installer. Our dealers are trained and certified residential daylighting experts.

Is Solatube a good light source?

The natural light produced by Solatube is bright and beautiful, but without the heat of a traditional skylight, making it a great solution for energy-efficient lighting. The bright and natural light from Solatube helps improve indoor comfort, and reduces the need for artificial lighting.

Is Solatube a skylight?

The tubing is highly reflective and minimizes the loss of brightness as the light travels, bringing in up to four times more light than a traditional skylight. The natural light produced by Solatube is bright and beautiful, but without the heat of a traditional skylight, making it a great solution for energy-efficient lighting.

As an exclusive licensee of Solatube International, Inc. Solatube Worldwide Sales markets and sells Solatube Daylighting Systems and Solar Star Fans to Europe, Latin America, The Middle East, Asia, and Africa. The company also manages the distributor networks in these countries

Then came Solatube with amazing new lights to replace our old ones, even more beautiful and translucent than in their pictures. Posted by Robyn G. on Nov 28th 2022 5 The solar tube adds wonderful natural light into small space. Posted by Janice Breitweiser on Aug 9th 2022 ...
