

Soltec company Libya

Who is Soltec?

At Soltec we are specialists in photovoltaic projects equipped with solar trackers, striving on a daily basis to build a future free of polluting emissions. Soltec was founded with the aim to create a clean, sustainable and fair world based on efficient photovoltaic power generation.

Why is Soltec a sustainable company?

Soltec's activity, sustainable since its conception in 2004, has a firm purpose: to create a clean, sustainable and fair world through energy. How simple actions can make a difference and contribute to a more sustainable and environmentally responsible future. This is how we do it at Soltec.

Why should you choose Soltec?

Soltec was founded with the aim to create a clean, sustainable and fair world based on efficient photovoltaic power generation. To achieve this, we focus on leading the global photovoltaic energy market and offering reliable solutions based on our cutting-edge technology.

How does Soltec make the most of solar energy?

We innovate every day to make the most of solar energy. Soltec pioneered the introduction, development and commercialization of solar tracking technologies, as well as the integration of solar plants through the use of algorithms and wireless communication systems.

How did Soltec perform in the first quarter of 2024?

The company reached record revenues of EUR121M, a 58% year-on-year growth. EBITDA reached EUR11M, with a positive contribution from both divisions (trackers and energy), and a net profit of EUR1.3M. In the first quarter of 2024, Soltec has delivered 813 MW of solar trackers, which is three times the volume delivered in the same period of last year.

What is Soltec Foundation?

In 2022, we launched Soltec Foundation with the aim to promote, support and develop initiatives of a social, cultural, educational, environmental, entrepreneurial and technological nature, with the purpose of promoting sustainable renewable power sources, especially photovoltaic energy. +EUR128,000 for donations and sponsorships
