A Spanish air defense unit equipped with the NASAMS air defense system. (Photo: Taiaro Lutter/Postimees/Scanpix Baltics via Reuters Connect) In an excellent article earlier this year, Taiwanese media Central News Agency discussed some of the reasons why Taiwan is acquiring both systems. To summarize the key argument of the piece, NASAMS has a longer ...

1 ??· Taiwan - Politics, Economy, Society: Taiwan had no central governing authority until the Dutch colonized the island in the 1620s. The Dutch era lasted only about 40 years, however, and Taiwan became the first place ever to free itself from Western colonial rule. Subsequently, Taiwan was self-governing, but for only a few decades. Taiwan was then made part of China for two ...
