

# Spark solar solutions Ukraine

Spark EV Solutions installed a PM Suryaghar subsidy solar plant at my home. I appreciate their approach, excellent customer service, and thorough follow-up on all the necessary steps to secure the subsidy and facilitate the net metering installation. Overall, I believe they are the right choice for domestic solar installations in Tamil Nadu

Full partner solutions. ... "I have been using the Spark solar kit at home since May 2021. I have a family of four and I often have some residual income, which we use to purchase rechargeable torches and candles for light purposes. We charge our torch at a shop nearby. We were grateful to have convenience when we heard about the Spark energy kit.

About Spark Solar Energy Spark was founded with a single-minded mission, to deliver high quality solar solutions with a great customer experience. This is the reason why Spark only uses top-of-the-range components, with warranties, installed with the greatest of care, precision and professionalism.
