Williams Solar, operating under the trading name of Williams Evergreen Ltd., has established itself as a premier developer of solar photovoltaic (PV) projects in Barbados and the wider Caribbean. With a noteworthy portfolio that exceeds 30 MWp of solar PV installations, the company's expertise spans a diverse range of projects.

In 2013 I returned to Barbados and founded Solar Genesis Inc. which focuses on design, consulting and project development. It quickly became apparent that for solar PV to make a significant difference in Barbados, customers needed to be better informed about the technology. As a result SolarBarbados was born, to increase the solar PV ...
