

Discover HM Solar Co. Ltd, the only authorized distributor of SRNE Solar Products in Nigeria. In partnership with SRNE, a world-class provider of photovoltaic off-grid products and solutions, we offer reliable and efficient solar energy systems tailored to meet your energy needs. Achieve energy independence with our top-quality solar charge controllers, inverters, and ...

Battery discharge protector is device for monitoring and protecting battery discharge voltage, which can prevent battery from over-discharge. When the battery voltage is too high, it can quickly cut off the power supply to prevent load equipment damaged. ... SRNE_BP series_48V_60~100A_Battery Protector_datasheet_1.0. PDF - 796KB - Updated ...

Learn more about SRNE, our core values, our strategy our milestones and our partner in this detailed company profile. Where to Buy; Case. ... Solar Storage Battery. Solar Storage System. Solar Charge Controller. RV Solar Power Kits. Accessories. Monitoring. ABP Serie 4-6.5KW. HESP Serie 4-12KW. ASF H3 Series 8-12KW.

SRNE All-In-One 5kW Inverter & 5.12kWh 51.2V Lithium Battery--an intelligent and user-friendly vertical energy storage solution. With a powerful inverter, Wi-Fi monitoring, and plug-and-play simplicity, this system ensures transparent and efficient power management. The slim design saves space, and the capability to add up to four batteries in parallel allows for easy expansion ...

Introducing the SRNE 5kWh Solar Battery, a high-capacity energy solution designed to maximize your solar power system's efficiency and reliability. Engineered with advanced lithium iron phosphate (LiFePO₄) technology, this battery is perfect for residential and commercial applications, providing dependable power storage for various energy needs.

SRNE 5.12kwh/48v Wall Mount Lithium batterySR-EOS is a new generation of household energy storage system with LFP batteries which can meet the diversified needs of global users. The SR-EOS energy storage system adopts a modular design, including power modules and ensures more than 6000 cycles with 80% DOD, so it can be easily combined into a system of any ...

The battery has high quality lithium iron phosphate cells with proven Li-ion battery management solution. Support Wifi and BT view real-time data through APP and Large LCD screen with ...

Battery: Provided to ensure normal power supply to the system loads when solar energy is insufficient and the Mains is not connected. 4. Household load: Allow connection of various household and office loads, including refrigerators, lamps, TVs, fans and air conditioners. 5. All-in-one solar charge inverter: The energy conversion unit of the ...

Introducing the SRNE 10kWh Solar Battery, a high-capacity energy solution designed to maximize your solar power system's efficiency and reliability. Engineered with advanced lithium iron phosphate (LiFePO4) technology, this battery is perfect for residential and commercial applications, providing dependable power storage for various energy needs.

Spent the last two days (July 11& 12th) in replacing my original near 1 year old #1 EAsun 3kw-U AIO with a new similar (PowMR label but just another SRNE) rated one. It has a higher PV voltage range (up to 450vDC) and 80a charge versus the 60a charge. My original #1 EAsun unit is now a spare. I...

SRNE 3.5Kw Lifepo4 All In One System features a load-shedding kit. Order your SRNE all in one solution today and ensure seamless power. The SRNE inverter "All-In-One" solar System provides everything you need for off-grid applications including: 1 X 3.5kW (3500W) 24V Inverter. 1 X 5.12kWh, 200Ah, 25.6V Lifepo4 battery. Key Features:

As the world seeks to improve energy efficiency while reducing environmental impact, the adoption of household battery storage has surged. SRNE residential energy storage systems offer an innovative approach to managing home energy consumption. These systems enable homes to store excess energy, particularly from solar energy, for later use, thereby ...

Upgrade your energy storage with the SRNE 5kWh Lithium Battery, designed for both efficiency and longevity. Perfect for residential and commercial applications, this wall-mounted battery features a sleek digital display for easy monitoring. Key Features: High Capacity: 51.2V 100Ah lithium battery ensures reliable power storage.

Explore the SRNE 10KW Storage Inverter, perfectly paired with the MENRED ESS LiFePO4 Battery for unmatched efficiency and reliability in energy storage solutions. Ideal for home and commercial use.

LCD touchscreen for easy viewing the battery information. Long life and safety. High quality LiFePo4, long life span and high safety. IP65 waterproof rating, can be used in harsh environment. Easy to install and use. Support 2 sets of battery interface, easy for different wiring methods. Support wall-mounted and floor-mounted installation ...

SRNE All-In-One 5KW Inverter with 5kWh Lithium Battery. A reliable & efficient power management system. ... SRNE All-In-One 5KW Inverter with 5kWh Lithium Battery. A reliable & efficient power management system. Compact, plug-and-play design with real-time monitoring. Skip to content. info@techsunsolar +27 10 448 6760. TechSun Solar.
