"St. Kitts and Nevis offers an excellent choice for anybody, particularly people who believe in protecting the planet. They can be part of our vision to build the first sustainable island state in beautiful St. Kitts and Nevis." Terrance Drew was elected as Prime Minister of the twin-island federation of St. Kitts and Nevis in August 2022.

Energy and climate-related policies have been accelerated by both state and federal governments, and for many companies the time feels right to invest in energy storage. This event gathers together investors, developers, IPPs, grid operators, policymakers, utilities, energy buyers, service providers, consultancies and technology providers under one roof.

Nassau, The Bahamas - During his Keynote Address at Opening of the Energy Summit, on November 7, 2024, Prime Minister and Minister of Finance the Hon. Philip Davis noted that the event was "an important moment for our country - a moment that we have been working toward since the very first days of this administration."
