

Sun king solar generator Venezuela

Does Sun King have a solar inverter?

Sun King has introduced the PowerPlay Pro, a cost-effective solar solution capable of powering lights, high-efficiency refrigerators, and televisions, marking the latest addition to its solar inverter product line. This new model provides a budget-friendly option compared to the more powerful Sun King PowerHub Solar Inverter System.

What is Sun King PAYG financing?

Sun King's PAYG financing model makes solar affordable to virtually all off-grid and weak-grid homes, allowing customers to leapfrog electrical grids and fossil-fuel energy sources entirely. Households receive high-quality equipment, which they can then pay off as they use the asset.

How do I start using Sun King solar?

Make a small down payment and start using your Sun King product immediately. Pick your contract length and pay the balance in small instalments. Making payments ensures uninterrupted access to Sun King solar. Once payments are complete, enjoy solar energy free of charge!
